Buy of the month

Add some fun to New Year proceedings with the playful 'Air Heads' balloons by Héctor Serrano Studio. They come with pre-cut paper pieces that you fold and stick on, transforming them into jolly party animals. There are six designs to choose from including a rhino, a koala and our favourite – the red rooster.

'Air Heads' balloons with wand and stick-on paper accessories, £7.95 for a pack of six, Héctor Serrano Studio (hectorserrano.com)
